

Modipalm wins 3 Wilmar Mill contracts

CB Industrial Product Holding Bhd's subsidiary Modipalm Engineering Sdn Bhd, has been awarded three palm oil mill construction contracts worth US\$4.28mil each from Wilmar International Ltd group.

In a filing with Bursa Malaysia, the company said Modipalm had on June 10, received the letters of award from three companies in the stable of the Singapore-listed Wilmar.

The contracts are for the design, supply, delivery, test, supervision and commissioning of palm oil mills in Sampit, Kalimantan. THE END
